## Experience

### Second Nature, Inc.

Boston, Massachusetts

January 2011 - present

*Communications Intern*

- Assist with all communications media for the company.
- Heading the redesign and reorganization of resource section for a company website, built using the Drupal CMS, for easier accessibility
- Developed and currently maintain a website using HTML, CSS, and jQuery to promote and inform about the annual company summit.
- Created the official company video, introducing and promoting the goals and purposes of the organization.

### National Conference for Community and Justice

Windsor, Connecticut

June - December 2010

*Intern / Consultant*

- Organized and streamlined the organization's Facebook groups in an effort to offer a greater sense of community and networking.
- Designed and created different communications material, including thank-you cards for local and corporate sponsors and program brochures.

### Big Y Supermarkets

Ellington, Connecticut

July 2007 - September 2010

*Cashier / Service Clerk*

- Accurately processed customer's orders in a timely and efficient manner.
- Assisted customers with their experience in the store.
- Developed a strong relationship with the consumer public by interacting with a large volume of people.

### NextGen Realty

Allston, Massachusetts

January - May 2010

*Web / Graphic Design Intern*

- Developed two new websites for the company, utilizing templates created with HTML, CSS, and jQuery.
- Maintained content on the 80+ websites under the company's control.
- Created graphics and Flash advertisements for online use, as well as flyers promoting the organization and its agents.

### Tecton Architects

Hartford, Connecticut

September 2006 - January 2007

*A/C/E Intern*

- Through the A/C/E Internship program, worked in teams comprised of high school juniors and seniors from around Connecticut to design and promote a three-room schoolhouse to be built in Ghana, Africa.
- Utilized and created CADD documents and to-scale models to visualize and implement the project.
